June Events for Kids

Cumberland County Library

CHILDREN'S & FAMILY EVENTS
JUNE 2021

Virtual Story Time
Wednesdays, June 2, 9 & 16, 10:30 a.m.
Join us for an online version of our Preschool Story Time where we’ll share stories, songs, finger plays and movement activities. Story Times are a fun way to help your child develop skills they will need to be ready to read. This program is recommended for ages 5 and younger but the whole family is welcome to join from home! Story Times will take place over Zoom. Registration is required. A link for the Zoom event will be emailed to you before the event.

Outdoor Story Time
Thursdays, June 3, 10 & 17, 10:30 a.m.
Join us as we share stories, songs, finger plays and movement activities outside! Children ages 5 and younger and a caregiver can meet at the fenced-in, grassy area near the library’s side ramp. Participants are encouraged to bring blankets or folding chairs to sit on and are asked to stay six feet from other families. Children must stay with their caregivers. Masks will be required for everyone over the age of 2. Attendance will be limited and registration is required.

Take & Make Crafts
Families are invited to visit the library this month to pick up "Take and Make" crafts to make at home. Kits will include instructions and supplies, as well as a list of any additional supplies you will need to have on hand. This month we’ll feature two kits:
- June 1-19 Juneteenth Confetti Popper
- June 21-July 3 Patriotic Bubble Wand
Registration is not required.

Horseshoe Crabs: A Deep Dive
Saturday, June 19, 1 p.m.
Join Quinn Whitesall from the American Littoral Society for an in-person, family-friendly horseshoe crab lesson. Quinn will bring a horseshoe crab or two and do a deep dive into the anatomy and significance of this prehistoric creature and will talk about the Littoral Society’s restoration efforts to protect habitat in the Delaware Bay. Registration is required.

For more information, or to register for any programs, please visit cdnj.org or call (856) 453-2210 x.26105.
