

The New Jersey State Library has negotiated at home access of HeritageQuest for New Jersey residents without a library card. This access will be in place for as long as the current COVID-19 situation exists. For Cumberland County residents, please contact the library at [circulation@CLNJ.org](mailto:circulation@CLNJ.org) to

request the access barcode. Then visit

[HeritageQuest Online](#)

. Please note that users with library barcodes cannot use their own barcode to access this resource. Only the above mentioned barcode will work.
